

### **OCTOBER 14<sup>TH</sup> PDM – TOUR OF LOWCOUNTRY FOOD BANK**

The Lowcountry Food Bank's face of hunger is 190,000 families. And these families and the elderly are continuing to choose between food and utilities, food and rent or mortgage, and food and medicine or medical care. The Lowcountry Food Bank also offers resources such as nutrition education, safe food handling practices, and maintenance information. Join us in October and help us help these families not have to make these choices. Bring a non-perishable food item, and get \$1 off your dinner!! Bring up to five food items for \$5 off!! We'll tour the Food Bank's new facility and learn first hand the logistics behind how they are able to help all those in need right here in the Lowcountry.

#### **2010 APICS International Conference & Expo**

**October 18-20, 2010  
Las Vegas, NV, USA**

**The luxurious Wynn Las Vegas – it doesn't get any fancier than this!**

Don't miss the opportunity to broaden your educational horizons at 2010 APICS International Conference & Expo! What happens in Vegas doesn't have to stay in Vegas. You can take what you learn and apply it to your career right here! For more information, check it out!

### Letter from the President...

Greetings!

Those of you unable to attend the September PDM missed a great time. Our generous host for the tour was SKF Bearing. We were greeted at the front door with a thermal SKF travel mug gift, followed by an informative tour of their facilities and ending with a free dinner! Yes, SKF treated all attendees to a free dinner.

The PDM scheduled for October is also a tour. We are meeting at the Charleston Food Bank for a presentation on the entire Supply Chain involved in making the Food Bank a successful operation. We will also be given a tour of the brand new facility and their large storage warehouse. Dinner will be provided by a local catering company.

We have decided to move our annual food drive from November to October to coincide with this tour. So be sure to bring along at least one item of non-perishable food. For each additional item of food you bring, up to a total of five, we will reduce your meeting attendance charge by \$1.00. This means you could attend the meeting for \$15 rather than \$20. I look forward to seeing many of you at the meeting and lots of food.

See you on October 14<sup>th</sup>,  
 Carol

Remember, your APICS Education will be offering "CPIM in a Year" starting in January. For anyone who wants to start pursuing their CPIM, started their CPIM certification and did not finish all the modules or anyone wanting to fast track their career and obtain their CPIM in a quick 12 months, please start planning on joining us January 2011! More information will be made available in the coming months, but please feel free to keep checking our website ([www.apicscharleston.org](http://www.apicscharleston.org)) for updates.

### 6 month contract with Cummins in Ladson, SC

**Job Description:** This position requires the following job duties: performs all aspects of material delivery for new product; resolves component conflicts and part allocation issues; develops part inventory/storage process and maintains all associated records; identifies and resolves material procurement issues with customers and suppliers; verifies and tracks all incoming and outgoing material; resolves material transfer and order issues between plants and participates in inventory meetings; coordinates part pulls and shipments; maintains databases; research engineering releases for compatibility and history, and performs other duties assigned by the supervisor. Receives instructions on specific assignment objectives, complex features, and possible solutions.

**Requirements:** Candidates that have prior experience with Oracle, Excel and have been in a manufacturing environment would be helpful. She really needs someone that is ambitious and will hit the ground running. 2-5 years of experience, but would be willing to train the right candidate

If you are interested in this position, please contact [wcaison@volt.com](mailto:wcaison@volt.com).
