Education Update:

It has been a busy year and your APICS Education team has been working to make "CPIM in a Year" a success. We will be wrapping up the final module, Strategic Management of Resources, starting November 2nd. We will not be holding this course at Trident Technical College but instead decided to utilize the wonderful facilities at the Hampton Inn where we have been holding PDMs. We have found this location works best for many of our students and unlike TTC we don't have to meet a minimum number of students. If you are interested in signing up, please contact Ed Barnes at ebarnes434@homesc.com or Elizabeth Hair-Estrella at e.hair.estrella@gmail.com

Already planned for next year will be Basics of Supply Chain for CPIM and we are looking into possibly bringing in a CSCP instructor for later 2012. If you have any requests you would like to see for Education, please feel free to contact Elizabeth at the aforementioned email address or reach out to any member of the BOD. We are actively looking for ways to improve our education section and welcome all suggestions. We can't wait to see how many newly minted CPIMs we have after this next module!

A Word from the President

Hello All!

We are pleased to be able to double our pleasure this year with an additional meeting at Wampee. This month's joint meeting with ISM features Santee Cooper CEO Lonnie Carter which I'm sure will be enjoyed by all.

Thank you for your generous donations to October's food drive supporting the Lowcountry Food Bank. As usual we won't have a meeting in December, but will return to schedule in January with a full line up of guest speakers and tours we know that you'll enjoy.

Have a Safe and Happy Thanksgiving!

Neil Gorski
